SMR RESEARCH CORPORATION

SMR is a business research firm that studies consumer loan markets and lenders. SMR is the nation's largest publisher of research on consumer finance and also provides consulting and predictive scoring services.

Clients for SMR studies and databases have included executives at a majority of the nation's largest banks, thrifts, mortgage companies, life insurers, finance companies, nonbank financial companies, and retailers. More than 4,000 executives at more than 800 companies have been clients.

Founded in 1984, SMR conducts primary qualitative interviewing, plus statistical research and predictive modeling. Our target audience is senior operations management. By publishing our work, we provide at a small cost the kind of top-level studies and data products that otherwise would require six-figure spending on consultants.

Stuart A. Feldstein is president and founder of SMR. Mr. Feldstein has been the senior author or editor of SMR studies since 1985.

Stephanie Rady, director of data products and services, produced many databases used in this study. **Jonathan Varone** is director of modeling and technology. **Marie Sheard** aided in marketing.

We thank the home equity industry executives whose frequent discussions with SMR aided in this work.

Network Versions Of The Studies

SMR offers a "network electronic version" of **Home Equity Loans, 2011**, and also of the optional companion study, **Best And Worst Metro Markets For Home Equity Lenders, 2011**.

The main study is delivered as a Microsoft Word or Adobe Acrobat file. The companion study is delivered the same way, with an Excel spreadsheet.

This program grants you copyright permission to put the electronic files on your company's internal computer networks so that all employees can use the research, search for key words, or print out desired sections.

The Network version of **Home Equity Loans, 2011** is **\$500** more than the printed version alone. The Network version of **Volume 2** is **\$400** more than the print version alone. The only usage limitations are that, under copyright law, you must retain the electronic files within your firm.
