SMR RESEARCH CORPORATION

Founded in 1984, SMR is a business research firm that studies consumer loan markets and lenders. SMR is the nation's largest publisher of research on consumer finance and also provides consulting and predictive scoring services.

Clients for SMR studies and databases have included executives at a majority of the nation's largest banks, thrifts, mortgage companies, life insurers, finance companies, nonbank financial companies, and retailers. More than 4,000 executives at more than 800 companies have been clients.

SMR maintains one of the nation's largest repositories of property and lien (loan) information. SMR also obtains national data on more than 13,000 depository institution lenders, updated quarterly, with more than 10 years of history. Both data sets are used in our Market Share spreadsheets.

Stuart A. Feldstein is president and founder of SMR. Mr. Feldstein has been the senior author or editor of SMR studies since 1985.

Stephanie Rady, director of data products and services, heads up the Market Share products. **Jonathan Varone** is director of modeling and technology. **Marie Sheard** aids in marketing.

Copyright Rules

Purchasers of the Home Equity Lender Market Shares and Mortgage Market Shares reports receive them in Excel spreadsheet formats.

Each client may make these reports available at no additional charge to other employees of their companies.

Under copyright rules, however, clients may not resell or share in any way these reports with any party or entity other than coworkers at their companies.
